Report of the Hony. Secretary of COAL ASH INSTITUTE OF INDIA
regarding 26th Annual General Meeting to be held at B E College, Ex-students
Club, CK-14, Salt Lake, Sector-2, Kolkata-700 091 on 4th November, 2023.

It is a pleasure on my part to place the Annual Report before the august Assembly of members.

1. With the intention of disseminating finding of our research for developing process knowhow to use bottom ash as viable substitute of river sand, we planned to arrange a seminar under aegis of Institution of Engineers; CESC being the principal sponsor. However, the seminar did not materialise because of CESC's reluctance to proceed with the same.
2. The proposed amendment of the Memorandum and Regulations of the Institute for expanding the scope of work in the day ahead is in the process of submission.
3. You will be pleased to note that Website for Coal Ash Institute has been rejuvenated and is active presently.
4. CAII has decided to actively pursue in various research projects like utilisation of bottom ash to prepare non-structural grade concrete.
5. In conclusion, I extend my whole hearted gratitude to the Governing Body members and all other members of CAII for providing support during mentioned period for various works.
